A History Of Central Banking & The Enslavement Of Mankind

In a 'History of Central Banking and the Enslavement of Mankind' ex-South African banker Stephen Goodson explains how the Central Banking "scam" originated, and how those who run it have throughout history used their power to subvert governments, and manufacture wars that not only produced vast profits, but frequently to topple 'regimes' whose banking system was not under their control. A concise yet powerful review of the history of central banks (which lend money created ex nihilo at interest to people, businesses, and governments, leading to interest-bearing debt = usury) and how said institutions were used as deceptive means of making a small number of people mindlessly rich at the expense of the masses.
