Face The Play By Benjamin Zephaniah by Oakley Chamberlain

Not every kid has a happy childhood. Some are born in troubled families with constant conflicts and problems positioning their early years and some have a sensitive psyche that enhances every bad experience they have.

And even when that kid grows up, the echo of those issues can spoil their adult life big time. The events unfold in a usual town where the protagonist, a strange quiet boy named Sally, moves together with his parents. He is Face: The Play novice here and has to literally start his life

from scratch — go to a new school, find new friends and get used to an entirely new environment.

Things are complicated by the fact that Sally wears a weird white mask covering his face. When you first see him, you are sure this is a girl since he also wears blue pigtails. Face: The Play the fact that he turns out to be a boy makes things even more confusing.

The first episode sets off in a hospital ward. You wake up, Face: The Play after a surgery, because your face is bandaged, with traces of blood. Then the usual routine Face: The Play to start: you get a call from your father, you have to find a way out of the hospital this is your first quest and meet him in a certain place.

There are no answers. You need to find them on your own. And so your trip begins. The game is a sequence of scenes Face: The Play your daily life is mixed with your past memories. And sometimes it takes a while for you to distinguish whether what you see on the screen is actually happening or these are just images from your head.

Each of them has their own traits, Face: The Play of behavior and biography. You will get to know your parents, school friends and even some strange guys like a hermit inviting you for a cup of tea. Remember: not all these people are real. The game also has a pinch of supernatural — for instance, a poltergeist living in one of the house rooms. Each scene is a puzzle you have to solve to move further.

The psychedelic cartoonish animation, the combination of mystery and dark humor, the unexpected twists of events — all this makes Sally Face a game definitely worth playing! Popular games 2, Sally Face Larry Johnson.

Face to Face is a play by Australian playwright David Williamson. It is part of the Jack Manning Trilogy Face To FaceA ConversationCharitable Intent which take as their format community conferencing a new form of restorative justice which Williamson became interested in the late s and early s.

When Glen, a young construction worker, rams into the back of his boss's Mercedes in a fit of anger at being sacked, he is given the opportunity to discuss his actions in a community conference, rather than going straight to court.

Community Face: The Play - an alternative method of justice recently [when? JACK MANNING: community conference convener, has interviewed each one of the characters individually before the play and has a fairly good idea about what has transpired before the play begins. He tries to steer Face: The Play conversations over the issue and attempts to bring it to a happy conclusion, The playwright David Williamson described him as intelligent, discerning, skilled and experienced. Throughout the play Jack keeps a calm demeanor and tries to Face: The Play the flow of conversation.

His character was used to illustrate the non-tyrannical and democratic process in the conference, he plays the role of a commentator rather than facilitator, he paraphrases and makes suggestions to participants.

He Face: The Play married and has four kids. In the conference we find out that he constantly boasts about women he knows, when in reality he just wants to appear better to his mates. His being fired was as a result of being pranked upon by friends and coworkers, they told him first of all that his bosses PA Julie was interested in him and then Therese, after he realised he was being fooled, Glen sought out the coworkers responsible. Face: The Play met and assaulted his foreman Richard even though Richard only knew of the Face: The Play without being responsible.

It was shortly after this that Glen's boss Greg fired him and then Glen rams into the back of his boss's Mercedes in a fit of anger at being sacked. It becomes unearthed that Glen was physically abused by his father who eventually killed himself after a conversation. Glen is very childish, gullible and described as dangerous when angry. Cares for her son, and appears to be a little passive, nearly all of the characters appear to have some respect for her and she is discovered to have had an affair with Glen's boss Greg.

Very critical of Glen's workmates. This play *Face: The Play* adapted into a film *Face to Face* directed by Michael Rymer.
