Business vocabulary in use : intermediate - Vyhledávání na

English Vocabulary in Use is a family of self-study and classroom texts for vocabulary development. The books follow the successful format of the English Grammar in Use titles with presentation of new vocabulary on the left-hand pages and practice exercises Business Vocabulary in Use: Elementary to Pre-Intermediate with Answers and CD-ROM the facing right-hand pages.

There are currently 4 levels of English Vocabulary in Use from Elementary to Advanced plus a book for academic vocab. The series has been widely used by English language students, especially those from non-English-speaking countries, as a practice and reference book.

English Vocabulary In Use Elementary book has been written to help you learn new vocabulary. You already know hundreds of English words, but to speak and write English in normal situations you need at least 1, to 2, words. In this book, there are around 1, new words and phrases for you to learn. You will find them on the left-hand page of each unit. Every new word or phrase is used in a sentence, or in a conversation, or has a picture with it, or has some explanation of what it means.

On the right-hand page, there are exercises and other activities to help you practice using the words and to help you to remember them. You can do the units in any order you like, but it is a good idea if you start with Units 1 and 2 first, as they will help you to work with the rest of the book in the best possible way. A self-study reference and practice book for Elementary learners of English covering all areas of language which students at this level find difficult.

A self-study reference and practice book for Pre-intermediate and intermediate learners of English covering all areas of language which students at this level find difficult. This substantially revised *Business Vocabulary in Use: Elementary to Pre-Intermediate with Answers and CD-ROM* updated vocabulary book retains the clarity, simplicity and accessibility of the first edition, adding to its new and redesigned units and appendices, modified right-hand page exercises and additional exercises.

The vocabulary in use for pre intermediate and intermediate students by Stuart Redman contains units containing the most important English vocabularies, which will help you in your IELTS preparation.

A self-study reference and practice book for advanced learners of English covering a wide range of Vocabulary in English language which students at this level find difficult. *Academic Vocabulary in Use Second Edition* is the perfect study aid for anyone using English for their academic work. Ideal for students of any discipline, this second edition has been updated to reflect changes in education technology and communications, includes a selection of new reading passages, and is now in full colour.

A comprehensive answer key, and phonemic transcriptions to help with pronunciation, make it perfect for self-study as well as for use in the classroom. This book is designed for students at good intermediate level and above, and is also *Business Vocabulary in Use: Elementary to Pre-Intermediate with Answers and CD-ROM* for those preparing *Business Vocabulary in Use: Elementary to Pre-Intermediate with Answers and CD-ROM* IELTS and university entrance examinations.

A classic developmental skills text for beginner, pre-intermediate, intermediate, upper intermediate, and advanced students of English. It is based on the vocabulary presented and practised in the units of English Vocabulary in Use series.

There are references in the contents pages and in each test to show you which unit or units each test is based on.

In a few cases, vocabulary items are included which have not been presented in English Vocabulary in Use and, when this happens, the instructions for the exercise suggest that you may use a dictionary if you wish.

You can, of course, use these tests even if you have not been working with English Vocabulary in Use but are simply interested in assessing your knowledge of the vocabulary area covered by the test. Doing exercises like these, that practise words and expressions that you have already encountered, is a useful way of helping yourself to fix the vocabulary you are working on in your long-term memory.
