Lotto How to Wheel a Fortune by Gail Howard

Every lottery player wants to win. If you are a serious lotto player then you need to know how to wheel lottery numbers so you can increase your Lotto How to Wheel A Fortune 2007 of winning. When there is an enormous jackpot it often makes people lose focus when it comes to buying tickets. This Lotto How to Wheel A Fortune 2007 many people invest a huge Lotto How to Wheel A Fortune 2007 of money on random lottery tickets and even quick picks.

The first step is to find a good wheeling system. Pick the one you can afford in order to keep on playing. Remember, a tighter lottery system will cost you more. For better odds, you should select a game with less numbers for example play a pick 5 over a pick 6.

Hot numbers are those numbers that are drawn more often than others. If you want to do a little research or just look online you will find that specific numbers are often drawn together as well. You can see an example of what I am talking about in this newspaper article. You should divide your 6 numbers evenly between high and low numbers i.

Every extra number you wheel greatly enhances your chances of winning multiple prizes in the same draw. Obviously if you want to wheel more than 12 numbers you will need a different wheeling system

The same goes for different types of lottery games. Each ticket has to be filled in correctly. A high percentage of participants have made careless mistakes when entering their wheeled numbers and thus denied themselves a chance of winning prizes.

For this reason it is a good idea to set out a number wheel box similar to the one shown in the image to the right. You are much less likely to make a mistake filling out your lotto tickets if you use a boxed grid system like the one shown.

Remember that the more numbers you wheel the higher are your chances of winning prizes in the lottery. So, it is better to play less often and wheel more numbers than it is to play more often with a smaller wheel. The same applies to how many times you intend to play. Depending on the wheeling system you used, many of the numbers from your wheel may come up; in such circumstances, you should have not just one winning ticket but multiple winning tickets. Your tickets will have similarities in some combinations where the numbers are the same but just played in a different order.

So you will have multiple tickets with winning numbers on it for multiple prizes. Picking Lotto How to Wheel A Fortune 2007 wheeling systems has enabled a high percentage of the participants to win multiple tickets.

Hopefully this post has shown you how to wheel lottery numbers successfully and I hope that by using this information you win a lot more lotto prizes. You can more detailed information on lottery wheeling here. Home A 60 Day Win Guaranteed!!! Site Map.
