I have started writing with the angels and have some very interesting results. I feel I'm really talking to my angels!! There are some things in the book I didn't agree with. For example the descriptions of what a guardian angel is. For example, in the book it just describes Guardia This is good and I feel like the Angelspeake: How to Talk with Your Angels written in this book on how to talk to your angels and how to ask for your angels help are very simple and they work!!

For example, in the book it just describes Guardian Angels as "always being with you" that's it. No mention about them being your protector and making you feel loved etc. They make sure you stay on course and on the path. There was no mention of this. Also in the book it says Archangel Uriel is the angel of Angelspeake: How to Talk with Your Angels. I'm an avid reader of everything angels and I have never read anywhere where it says he is the angel of prophecy?
