Sean Newman from PickUp You may have heard the killer interview I did with Lance from PickUp a little while ago. His name is Sean Newman.

Have you ever thought about the kind of guy that Anytime attractive, in-demand kind of woman wants to be with? Sean put this idea a little differently. One of the most Anyplace ideas Sean shared was his advice on getting over the FEAR of approaching a woman.

Laughter is one way your body releases stress and nervous energy. Think about it: Try to remember a time when you were laughing and felt nervous at the same time.

I mean the kind of honest, deep down, no-holds-barred laughter, where you tear up and milk shoots out your nostrils like an erupting volcano. Sean also mentioned that listening to music you love and moving your body a little bit is another way to release nervousness. You have to practice it to learn it deep down in your body. You take all anxiety and turn it into adrenaline to power your legs to sprint after her. Your body does Anyplace work of releasing the stress for you.

A bit extreme? But have fun with it and judge it by the results YOU get. If you have a busy life, going out to clubs until the wee hours of the morning and trying to meet year-olds may not be your thing.

In other words, the best place to meet women is where they go during the course of their normal, day to day living. The fact is, not every woman out there goes out to clubs. Do you think guys are hitting on her with those headphones on? Probably not. Several years ago, I met a woman online who became my girlfriend for about a year and a half.

She was a stunningly attractive woman, and in fact went on to create a career around her looks. Not so much. One thing Sean does to deal with this situation is rely on an Anytime he created that he uses in almost any situation with a woman... and he says it over and over and over again with a ton of the new women he meets.

If you have something to say in any situation with a woman, that will give you confidence. And that confidence will help you relax, and give off that cool-calm-and-collected vibe to the women you meet. You take that loop going on in your brain, and you say it out loud and get it OUT. Just make sure no one sees you! If you could step outside of yourself... and see yourself as you talked to a woman... what would you see?

Well, you guessed it, Sean has a solution. I hope you enjoyed this interview Secrets of the A Game: How to Meet and Attract Women Anywhere Sean as much as I did. Do it right now... before you get Anyplace by other stuff. If you want to be able to start a conversation with any woman, at any time — and never be at a loss for words — then you need to learn a few simple skills Secrets of the A Game: How to Meet and Attract Women Anywhere will give you consistent results.

The mistake most guys make is thinking they Secrets of the A Game: How to Meet and Attract Women Anywhere to make up something to say on the spot — something spontaneous. Cheesy pick up lines DO work, as long as you can get her laughing and break down that wall she has that keeps so many men from success with women and dating.

These are easy ways to start a conversation with a woman that you can use any time, any place. When you use this approach, you communicate that you notice her looks — but in a way that is charming, playful, and classy.

Most men waste time waiting for the woman they are interested in approaching to be alone, or trying to plot how they will remove her from the group of friends she is with. Not only Anytime this a waste of time, but it is a very predatory behavior, and viewed as a threat by most women. Instead, you need to learn to approach Secrets of the A Game: How to Meet and Attract Women Anywhere entire group of women in order to eventually single out the one you want.

However, the task of approaching a group of women in a bar or club, or anywhere else, is a daunting task for most single men. Here are some Secrets of the A Game: How to Meet and Attract Women Anywhere tips and hints on how to approach a group of women anywhere, any time. One way to make your approach seem like less of...

What this does is it puts the women at ease because they see you as a temporary threat or fixture. They relax and let their guard down, Anytime any guy with imagination can figure out how beneficial that is to the dating scene. When you approach a group of women, make sure your energy level is equal to or slightly higher than theirs. Nobody wants to talk to someone who is going to bring them. In a group setting, you need to make sure that every individual in the group gets attention and stays engaged... or someone WILL become your enemy, or at the least, lose their interest and try to move on, bringing the group with them.

When you approach a group of people, usually it is because there is one single woman Secrets of the A Game: How to Meet and Attract Women Anywhere the group that you are attracted to. Start by chatting with her friends...this gives you a chance to demonstrate your personality and to become a challenge for her by teasing her and using Cocky Comedy techniques to bust on her and boost HER level of attraction to you.

One of the many reasons that men often have problems approaching women revolves around the fact that they are just too damn nervous. I mean, really, what is going through your head when you are about to approach a woman?

If your nervous or scared when you are approaching or meeting women, it is because of... Well, its time to learn a great trick to get over this. Everyone knows that eye contact is important, but something strange happens when we make eye contact with another individual. What happens? We feel obligated to give them some sort of response. The next time you see a beautiful woman you want to approach, LOCK your eyes on her! Even if she is not looking at you, just literally stare at her eyes.

When most people are out in public, they will generally look about at their surroundings to remain aware of what is going on around them. This Anytime an instinctual thing we all do.

When she comes to YOUR sexy mug, her eyes will automatically lock onto yours and the eye contact will be jarring. If she smiles back, guess what? Use this moment, if she is receptive, to greet her and move into your opening lines, and viola! This approach technique works especially well in normal situations like grocery stores, coffee shops, book stores, etc. Even though it can work just as well in bars and clubs so long as the light is bright enough that she can actually SEE you!

So, next time you go out, do this with every attractive woman you see. Lock your eyes onto them and see what happens. He lives in San Antonio, TX with his wife and co-conspirator Emily whom he met onlinethree kids and two hairless terriers.

Also what are you going to do when the gig is up and the real you comes out? Jul 02, T rated it liked it. I'm not really the target reader for this book; it's really meant more for the casual wannabe pickup artist than a relationship-oriented person and that shows.

Parts of the book encourage or allow for deception or just being a jerk in that vein. That said, the author is far better than expected about segmenting out various actions as targeting corresponding results and allowing you to pick and choose from his recommendations to determine

which are useful to you and which aren't.
