Summary and reviews of Cathedral of the Sea by Ildefonso Falcones

A serious historical drama that might be a little slow-moving and dreary for some, Cathedral of the Sea is nonetheless a fairly impressive adaptation. Cathedral of the Sea is also something of a technical achievement, boasting stunning landscapes captured with reverence by cinematographer Teo Delgado, and grubby production design that capably evokes 14 th Century Barcelona.

Well, as I imagine it, Cathedral of the Sea, which is all any of us can hope for. And Frades is content to wring out tension where necessary by extending scenes to tortuous length, which brings me to another point.

This is heavy stuff. Loved every minute of this movie. Superb acting by all. Same here. I read the book, it is very hard Cathedral of the Sea adapt such a superb book into a few episodes.

I enjoyed every bit of it and watched the whole presentation in two days. I am racing through it as well. Yes, it has grim, difficult scenes to watch, but I believe that there was severe, inhumane cruelty at that Cathedral of the Sea, historically, with chasms between the social classes.

If a production is as well done as this one, however, the tough scenes are not just thrown in gratuitously, but are a necessary part of the storytelling. So they are never as hard to swallow as violence for the sake of violence. This is actually a brilliant and exciting saga on Netflix. What keeps me watching is the great writing. I would love to read the novel now, but in any case the screenplay is masterful.

As a writer, I find it difficult Cathedral of the Sea watch a lot of these doltish shows on Netflix and Amazon Prime, but now and then a gold nugget emerges and I am captivated. Totally agree with all the above comments. Most of the series you see in Netflix are cut from the same cloth, detective stories, drugs, Cathedral of the Sea. Cathedral of the Sea is to me a work of art, with historical information and hard to find these days.

Wish Netflix would bring more of these. Nothing worse then watching 14th century period piece and the women are wearing 21st century makeup!!! Just wrecks it. Just started watching this amazing series. Great scenerythe acting is superb.

Cathedral of the Sea Arnau, who secretly loves a forbidden Jewish woman named Mar, is betrayed and hauled before the Inquisitor, he finds himself face to face with his own brother.

Will he lose his life just as his beloved Cathedral of the Sea is finally completed? Nonetheless, this is a well-written and complex work. Recommended to libraries with interests in historical novels, as well as new-Spanish writing. The melodrama is sometimes laid on thick, but Falcones's rich portrait of medieval society is fascinating.

Unlike the best Stevenson or Dumas adventures, the characters Cathedral of the Sea one-dimensional, without contradictions. Little of this matters once within the story. Cathedral of the Sea is an exciting, very readable adventure novel, enriched by realistic Cathedral of the Sea of medieval life, work, finance and politics.
