VERDICT These novels are filled with magical, descriptive language and imagery; a fun combination for magical fantasy lovers-though the abundance of ultra-pink and sparkly design motifs may limit the audience. Charming Libby is a people pleaser who is slow at making decisions.

She has to learn how to say no, stand up for herself, and feel more confident about her choices. All of the Star Darling roommates have received beautiful bouquets of sparkly flowers welcoming them to Star Academy. The band tryouts begin and many different girls show up to audition. Meanwhile, the Star Darlings are dealing with their personal conflicts and issues.

Libby's mission: Libby finds a flower in the Wish Caves, but her only clue as to whom it belongs is a ballot with two names on it. When Libby goes down to Wishworld, she identifies the wisher and Star Darlings Scarlet Discovers True Strength herself, thinking she has to help Star Darlings Scarlet Discovers True Strength all the wishes.

Libby's friends come down to help her get back on track. Twelve very special students have been selected from this year's class to reclaim the wish energy that powers their beloved planet, Starland. The Star Darlings, as they are known, take classes where they learn how to grant the wishes made on birthday candles, shooting stars, dandelions, wishbones, and coins tossed into fountains, just to name a few.

Their top-secret mission will take them to Wishworld known in some places as Earth. There they will have to find the Wisher and figure out how to grant the wish before time runs out and they are stuck on Wishworld forever. Sage is the first Star Darling soaring off to Wishworld. Travel with her as she discovers how challenging life on a new planet can be and how she learns the importance of friendship, teamwork, and never assuming anything.

I loved this Star Darlings book. Scarlet is my favourite character so it was good to see her book come out. It was Startacular! View 1 comment. Dec 19, Hannah Belyea rated it really liked it Shelves: owned. Scarlet knows she deserves to be a Star Darling just like the others, and she's willing to travel down to Wishworld to help her nervous replacement Ophelia solve the problem of her Wisher to prove her strength to Lady Stella!

Zappa is sure to please fans with this exciting entry to the series that will keep readers on their toes. Can Scarlet prove herself as a Star Darlings Scarlet Discovers True Strength before anymore missions are put in such danger? Mar 03, Brenda rated it it was ok Shelves: cleargrade-fiction. This is the fifth book in the series Star Darlings about the world where the wishes of humans go to be answered. The elaborate fantasy world is a bit too complicated for many of the readers who will be drawn to this series.

For example, there is a 6-page "Glossary" to support this intermediate level chapter book. While the characters are well developed with relatable characteristics and the conflicts are also relatable to tweens, I am Star Darlings Scarlet Discovers True Strength cynical about the intricate world making contained in t This is the fifth book in the series Star Darlings about the world where the wishes of humans go to be answered.

While the characters are well developed with relatable characteristics and the conflicts are also relatable to tweens, I am still cynical about the intricate world making contained in the series. I would recommend this for purchase by school and public libraries only if they have a demographic that is ready for this type of fantasy. Nov 08, Jenetti Montanez rated it really liked it. Jun 12, Aliza Heslop rated it it was amazing. I'm glad Scarlet got back into SD. Oct 05, Eliza rated it it was amazing. Mar 19, Rose rated it it was amazing. Jun 02, Sara rated it it was amazing. This was an awesome book. Jul 07, c. The fact that she's on the cover and her name is in the title is kind of a spoiler, but obviously this is Scarlet's turn to shine.

After the last few books built up some of the relationships, it's interesting to get an outsider's point of view, even if the outsider in this case is just Scarlet as a "former Star Darling".

Seeing Scarlet get dragged along with Cassie and Vega as they work to solve mysteries is fun, and does a lot to get the reader invested in all of them. Without getting too spoilery The fact that she's on the cover and her name is in the title is kind of a spoiler, but obviously this is Scarlet's turn to shine.

Without getting too spoilery, the Wishworld mission has problems but it's pretty obvious from the start that things will go south. The problem this time sounds a bit too easy, but I think the book does a pretty good job explaining why the wisher felt the way she did, even if it sounds like a silly fear. And Scarlet gets a happy ending. Sep 27, Alicia Evans rated it it was amazing Shelves: type-fictionage-tweengenre-science-fiction. I'm a pretty big fan of this series, but my love for it grew exponentially with this installment.

Here we see some answers beginning to appear and there is a darker conspiracy forming. I also loved getting a Star Darling perspective that is introverted and antisocial, traits not many other Starlings share.

It made Star Darlings Scarlet Discovers True Strength a nice change and gave it a new voice. This may be my favorite yet. Possible red flags: somet I'm a pretty big fan of this series, but my love for it grew exponentially with this installment. Possible red flags: something sinister in the background; lying for the sake of their mission; sneaking.

Scarlet has been keeping to herself. But she is convinced that her removal from the Star Darlings was a terrible mistake. Meanwhile, Ophelia is chosen to go on a Wishworld mission, for which she is hopelessly unprepared. Will Scarlet be the one to rescue Ophelia and the mission? May 11, Cmeiss rated it really liked it Shelves: favorites.

I really love how this series is progressing. It easily could be the same things going on with each girl but I think they've done a really good job with the mystery thread throughout the series. I also appreciate how the types of situations their wishers need assistance with are unique to each story.
