ICO Exam MCQ Revision Questions - Eyedocs

The Basic Sciences Part 1 is frequently taken early in residency training. The Examination is MCQs for FRCOphth and ICO Basic Sciences Examinations in a booklet and consists of 80 multiple-choice questions MCQs. The complete Examination takes two hours.

Each question consists of five options, each being true or false. Thus the examination consists of questions. The candidates enter their answers on response sheets which are computer marked. A positive mark is awarded for each correct answer. No mark is given to those questions marked incorrectly or left blank.

The results are analysed by the examinations committee which has members from several countries. Answering all the questions accurately is the best way of obtaining a pass grade but because accuracy of answers is very important and takes time it is still possible to pass the examination without completing all the questions. Candidates and co-ordinators are informed of MCQs for FRCOphth and ICO Basic Sciences Examinations results of the individual sections into which the test is divided.
