Okay, big time yuck and DNF. As bad as some of the reviewers say but for all new reasons. Epic, epic s style slut-shaming and hypocrisy. I doubt

if the Victorians and ole-time cowboys and schoolmarm were as bad as Sandra Brown's characters. I had other issues to worry about. Shame on SB for making the hussy and her father totally gross and unsympathetic.

Really gross. The kicker was the ex-fiancee who may or may not have gotten the hussy Another Dawn, but is definitely the fall guy for the town. He hates his Another Dawn pregnant wife, and in a disgusting, cruel and nauseating scene murders her as she is giving birth to what may or may not be his child. It is not fair that they only had 20 years together. Why should the past hunt Ross till the very end. I love the ending of Another Dawn. I hate that woman.
