Community Reviews. Showing Average rating 3. Rating details. More filters. Sort order. Shelves: mystery. Oh well, that doesn't matter all that much considering you don't actually need to know what happened in the earlier books to be able to enjoy the later ones.

Anyway, I mentioned that in Good Work Secret Seven that this one seems to also deal with fireworks, and I have also noticed that inside the front cover are a list of instructions that basically say DON'T Another Guy Fawkes Secret Seven Fireworks 29 March Well, I've just discovered that I have been reading the Secret Seven books completely out of order.

Also, the story itself has one of the father's handling all of the fireworks, so it seems as Blyton was just as concerned about kids blowing themselves up as the publishers are today. Oh, she also points out that it Secret Seven Fireworks illegal for children to buy fireworks which is why their Dad goes and purchases them.

Anyway, at first I thought I may Secret Seven Fireworks already read this one because both this one and Good Work, Secret Seven are both set around Guy Fawkes day, and they also are building a bonfire with a guy to sit on top of it. However it became pretty clear that it wasn't the same book, though I did wonder why Blyton had to use the same setting in another of her books. Mind you, this is book number 11, and one of the many, many books that Blyton had written so it is not surprising that she would go back on some old ground — especially since children love fireworks.

Anyway, I Secret Seven Fireworks to say that this really wasn't one of her best works. In fact it was down right annoying. Sure, there were some crooks in here, and some pretty nasty Secret Seven Fireworks at that, but they tended Secret Seven Fireworks hover in the background while the Secret Seven prepared another bonfire. However one of the crooks ends up causing them a bit of trouble, though the Secret Seven don't realise that it is Secret Seven Fireworks — they think it is little Susie, so they spend the entire book picking on the poor girl and accusing her of stealing.

Which reminds me that once again Blyton has gone over some old ground — Susie starts her own secret society; this time it is the tiresome three. Last time it was the Famous Five, however in this book they simply exist to cause trouble though I am sure that was also the case in Secret Seven on the Trail so it seems as Secret Seven Fireworks Blyton may have started running out of fresh ideas by Secret Seven Fireworks time Secret Seven Fireworks got to this book. Anyway, as with all of her books, it was a quick read, but there have certainly been a lot better.

Mar 26, shruti Secret Seven Fireworks it was ok Shelves: alsoread. I think it is because it was written for a younger set I mean, not that the rest of her books were written for year-olds so younger children also had their own adventure series that was perhaps less frightening. Plus I always get confused because there are so many characters to keep track of Janet and Peter are siblings, Barbara and Colin, Pam and ummm who else?

And then Jack, who has a younger sister Susie not part of the Seven, but often causing trouble. Blah blah blah. But this one talks about Guy Fawkes Day, which is cool, cause that is not something we have in America.

Mar 21, Tom Seward rated it really liked it Shelves: enid-blyton. Enid Blyton Secret Seven Fireworks an amazing childrens author, bestselling in the world. Although almost undiscovered by Americans.

This series The Secret Seven Features 7 children who form a backyard club. They love to have meetings with Secret Passwords, etc. Soon, they begin to fall into mysteries. This series is for the younger reader than the other series Enid Blyton wrote for children. Great reading. Oct 19, Dana rated it really liked it Shelves: detective-fictionskids-n-teens. Bright, mysterious and awesome! Just like the fireworks. It is time to make a bonfire and celebrate the holidays.

But nothing is simple in Secret Seven's lives who always look for mysteries. Loving the series. Jan 15, Renee rated it really liked it Shelves: read This one focusses around Guy Fawkes night, buying fireworks, making a guy and building a bonfire.

Something I remember as a kid, but it has gone out of fashion in Australia, so my kids are not familiar with it. It was nice to see the Secret Seven make up with Susie and Secret Seven Fireworks friends at the end of the book, but I don't think the truce will last for long. Susie, the annoying little sister, is part of the formula to build tension in the plot. I have explained to my kids though, Secret Seven Fireworks if Susie was allo This one focusses around Guy Fawkes night, Secret Seven Fireworks fireworks, making a guy and building a bonfire.

I have explained to my kids though, that if Susie was allowed to join the Secret Seven, she would stop bothering them and help. She is being a pest because she wants to be included. Pure nostalgia. Last read in Like all the others in the series it is written to a formula and at the end Secret Seven Fireworks thinks I could have written that.

But I didn't and Enid Blyton did. Inspired to read it by the fact that my 10 year old Secret Seven Fireworks is reading several in the series. May 02, Sally rated it liked it Shelves: england Secret Seven Fireworks, childrens-youngerenid-blyton. Poor Susie! She's an annoying brat and naturally the Secret Seven don't want someone's baby sister tagging along, but they really do act a little unfairly towards her at times as well XD. Sep 26, Paddy O'callaghan rated it it was amazing. Absoluely every Secret Seven Fireworks in this series is awesome.

Another installment of Blyton's beloved children's detective series which ends up detailing the perils of domesticity. That's right, in this book we watch the Seven plan, in excruciating detail, a bonfire night.

Luckily everybody's Secret Seven Fireworks side-character Suzie is here to throw a spanner in the works. She has formed her own society - The Tiresome Three self-aware to the end Suzie, one of the things that makes you so attractive. The two groups descend into squabbles and pranks which get more and more depraved as the story progresses. The mystery in this book takes a backseat and only really comes into fruition in the final ten minutes. Obviously the dodgy guys you met in the woods earlier are gonna be the ones who stole your granny's jewellery I mean there weren't even any other suspects. Enid you need to learn to develop your whodoneits more. Can I get some opinions here Secret Seven Fireworks rules it like a dictatorship, abuses his friends, sets up the 'democratic' process of electing a treasurer and then everyone votes for him.

I don't know.

A magical selection of stories to read and share by one of the world's best-loved children's authors, Enid Blyton. This collection of over 50 stories brings together three of Enid Blyton's earliest and most imaginative story collections - The Book of Fairies The Book of Brownies and The Book of Pixies and show Blyton at her most imaginative and playful. Perfect for holidays or rainy day reading, and an ideal gift for anyone who loved the stories during their own childhood to pass on to the next generation of readers.

Yet, armed with beauty, intellect, and shrewd judgment, she was to make her way to the center of power at Versailles, the most opulent and ambitious court in all Europe. An inventive and vibrant historical novel about the woman who dared to be the equal of the Bard of Avon.

Dramatizing a marriage born of passion and strained by ambition, Arliss Ryan's fascinating historical novel chronicles a love affair for the ages, and the story of a woman who dares to fulfill her own surprising destiny.

Anne Hathaway is weighing her prospects for marriage when a dalliance Secret Seven Fireworks young Will Shakespeare, the poetry-writing son of a rural glove-maker, leaves her pregnant and wed. When Will joins a traveling acting troupe and moves to London, Anne leaves their children in his parents' care and boldly follows him. Taking up a new identity at Will's side, Anne supports his career as a struggling actor by Secret Seven Fireworks costumes and transcribing manuscripts in the rough-and-tumble world of London's theatres.

As Will finds his true Secret Seven Fireworks in writing, Anne's own literary skills begin to flower, leading Secret Seven Fireworks a secret collaboration that makes Secret Seven Fireworks the foremost playwright in Elizabethan England. As WWI draws to a close, a love affair that stretches across countries, families and class begins, in master storyteller Eva Ibbotson's classic historical romance, with an introduction from Amanda Craig. Anna Secret Seven Fireworks, a young Russian countess, has lived in the glittering city of St Petersburg all her life in an ice-blue palace overlooking the River Neva.

But when revolution tears Russia apart, her now-penniless family is forced to flee to England. Armed with an out-of-date book on housekeeping, Anna determines to help her family in any way possible, and she is soon hired as a housemaid at the Earl of Westerholme's crumbling but magnificent mansion. Then Rupert, the young Earl, returns home from the war and is fascinated by his new housemaid, and the more time they spend together the more they feel inexplicably drawn together.

But they can never be together; Rupert is already engaged and Anna is only a servant.

Enid Blyton - Lashings of Information about the Children's Author

The Seven arrive for a meeting Secret Seven Fireworks in the field, three surly men have taken over the hut belonging to Burton, the hedge-and-digger man. The shed is burgled Important Secret Seven meeting Bonfire Night at last — and it goes with a bang! This annoying chant from Susie makes the Seven realize that they haven't met in ages, and this goads Peter and Jack into calling Secret Seven Fireworks meeting the same week. Secret Seven Fireworks fact the Seven haven't had a meeting for such a long time that Peter's gardener has stored onions in the shed.

After clearing out the onions from the Secret Seven Fireworks, the Seven get down to the first order of business—plans for the Guy Fawkes Bonfire! At first, the Pam suggests making a guy exactly like Susie, but Jack points out that it would make Susie feel all the more important, so they decide to make a really large guy instead.

Next, the Seven elect Secret Seven Fireworks treasurer, select a spot behind Peter's and Janet's house for the bonfire, and head into the wood to collect dead twigs and branches to build the biggest bonfire ever. On their way, they meet old Burton, the hedger-and-ditcher man, who agrees to let the Seven have all of his trimmings to heap on the bonfire. The Seven gather all sorts of wood over the morning and decide to take a rest in Burton's hut. They are surprised by Scamper's sudden barking at the door of the hut.

While the Seven are wondering why Scamper would bark at an empty hut when a large stone comes whizzing out of the door, missing Scamper by inches. Infuriated, Peter confronts the three nasty-looking men who exit from the hut.

Instead of replying to Peter's questions, one of the men hits Peter with a stone on his Secret Seven Fireworks. When Peter Secret Seven Fireworks off to Secret Seven Fireworks Burton, the men shake their Secret Seven Fireworks at the remaining six and disappear into the wood.

On a hunch that the men might be up to something fishy, Jack jots down their descriptions with amazing presence of mind. When the Seven return to their own shed after collecting the wood, Peter decides to lock up, since it contains the firework money everyone has contributed, and also the guy, which could be tampered with by Susie. The Seven are quite satisfied with the day's work and happy that their society had gotten going again after Secret Seven Fireworks hiatus—even though there isn't Secret Seven Fireworks mystery in the offing.

But the Secret Seven are never far away from a mystery, and they embark on another investigation when Colin prepones the Thursday meeting to Tuesday afternoon. Colin had gone to visit his Granny's house on Monday, and found the house in a mess. Drawers and cupboards had been ransacked and even the safe had been broken.

Thankfully, Colin's grandmother was out, but her maid—Greta—had been locked in the larder. Colin called the police and his parents and was untying Greta when they Secret Seven Fireworks. As if walking in on a crime scene wasn't enough, Colin received another shock when Greta described the burglars, and their description matched the three men the Seven had encountered in Burton's hut!

Greta had a gotten a good look at two of the men but not the third, but Jack had a detailed description of the third suspect in his notebook, and the Seven send Colin and Jack to the police station to supply their information to the police. The seargent on duty is friendly to the Seven and he accepts Jack's notes joyfully.

Just as the Seven feel that they can concentrate on solving a brand new mystery at last, Susie throws Secret Seven Fireworks spanner into the works by forming a club of her own with two visiting friends—Doris and Hilda—who are exactly like her in every way.

To make the club's intentions clear, she Secret Seven Fireworks the club the Tiresome Three, and threatens to play spoilsport in the Seven's meetings unless Jack tells her about the new mystery. But Jack refuses to budge and the Seven meet again the next Wednesday to collect more money and to buy a mask for the guy.

Once Secret Seven Fireworks, Colin takes centrestage with fresh news about the mystery when he reads in the paper that Secret Seven Fireworks of the Secret Seven Fireworks robbers Secret Seven Fireworks been captured.

The third robber escapes, but the police launch a hunt for him based on Jack's description—stout, tall with ginger hair and a thick moustache. Secret Seven Fireworks Seven discuss ways of finding the robber have a good laugh later when they find that the mask they bought for their guy looks very much like the escaped robber!

The Tiresome Three draw first blood by hanging the Seven's guy on a fence while they are off fetching an old chair for it. The Seven are angry, and Jack decides that two can play at the game of being tiresome. Secret Seven Fireworks overhears the Tiresome Three's plans to find the Seven's bonfire and kick it to bits, and he innocently tells Susie that she would find the Seven's Secret Seven Fireworks over the top of Haylings Hill. The next morning, Jack and Peter write a note on Haylings Hill, saying that they hope the Tiresome Three enjoyed the long climb Secret Seven Fireworks absent bonfire.

In the afternoon, the Seven meet to finalize Secret Seven Fireworks fireworks they should buy when Pam is scared by someone looking in at the window.

Instead, he is surprised to find the tired Three making their weary way home after Doris hurt her ankle falling down Haylings Hill. In the meantime, Peter, George and Pam buy fireworks worth almost one pound and save the rest for newer fireworks which would arrive the next day. Peter goes to the shed to keep the remaining money when he looks at Secret Seven Fireworks guy and feels that he should have a pipe, and goes off to ask Secret Seven Fireworks father for an old one of his.

However, he forgets the key in the lock and returns to find the clothes of the guy gone! Peter and Janet are furious and they suspect Susie. They call Jack to tell him what happened, who takes the Tiresome Three to task, only to discover that the Three had been in the attic all evening helping his mother for a jumble sale.

Jack doesn't believe Susie and Secret Seven Fireworks that she must have slipped out to raid the Seven's shed. Secret Seven Fireworks Seven look for alternate clothes for the guy the next day and decide to go spend the rest of their fireworks money in the evening.

But they get another shock when they find the money gone from the shed a well! Peter does not believe that Susie could have stolen the money, but that she was just keeping it till after the bonfire so that the Seven couldn't buy the fireworks. The Seven go off to collect more firewood to keep their mind off the recent string of mishaps, when they find the Tiresome Three kicking their bonfire.

They manage to chase the Three off, but they all know the bonfire is not safe. Instead of taking turns watching the bonfire, Jack comes up with the idea of watching the Tiresome Three instead, and manages to keep them under his eye for a day and a half.

However, his father asks him to help clean the car, and the Three take advantage and go for a walk at once. Jack calls Peter to be on guard, but when Peter and Janet go out to check the bonfire, they find it's been pulled to bits, with wood scattered all over the field. What's more, a big hole has been dug where the bonfire stood! Peter and Janet are ready to blame Susie once again, when they see the Three walking over the field in their direction.

Susie is just as surprised to see the dismantled bonfire as Peter and Janet are, and they all realize this wasn't one of Susie's mean pranks after all. But who could have done this? Things look glum for the Seven as they lose their bonfire, fail to trace the thief, and a gathering mist seems sure to ruin the fireworks.

But with a little luck and a lot of watchfulness from Scamper, the Seven set up an explosive finale to this fireworks night Fan Fiction. Preparing for Bonfire Night. One of the mean villains attacks Scamper.
