Detailed Review Summary of Little Farm In The Ozarks by Roger Lea MacBride

The second book in the Rose Years series, the story of the spirited daughter of the author of the beloved Little House Little Farm in the Ozarks. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. Going fishing for the first time, starting in a new school, saving the farmhouse from a fire—these are just a few things that happen during young Rose Wilder's first year at Rocky Ridge Farm.

She and her parents, Laura and Almanzo, have moved to the Missouri Ozarks to begin a new life. Rose feels out of place as the new Little Farm in

the Ozarks in her class but gradually gains confidence, and Rocky Ridge truly becomes her home. He was also an active participant in the creation of the television shows Little House on the Prairie and Young Pioneers. David Gilleece is the illustrator of all of the Rocky Ridge series titles. He lives in Point Pleasant, PA. What would you like to know about this product?

Nov 21, Candychaser21 rated it liked it. Another cute Little Farm in the Ozarks from a great series. Love the Ingalls, and Wilder families! Feb 01, Emily Hunholz rated it really liked it Shelves: laura-ingalls-wilder. I was a little skeptical—how could anyone measure up to Laura?

But MacBride surprised me. Like many of the Little House books, this one is not plot driven, but something about it just makes my heart melt. Rose is a spunky, mischief-loving, heart-of-gold kind of kid, and her family is so full of love. View 2 comments. Sep Little Farm in the Ozarks, Katja rated it it was amazing Shelves: adventuremiddle-grade-juvenile-fictionseriesamerican-fictionclassichistorical-fictionshisficmy-favourite secular review-to-be updated.

I really enjoyed this book, maybe even more than the first one. It showed up strong in this one. There are just a few euphemisms. The plot was interesting and even gripping, and has many interesting characters. I am really loving this series! If Rose squinted her eyes, the woods looked like fall. But the gentle warm breeze and drowsy scent of the growing earth spoke only of the coming Little Farm in the Ozarks.

Dec 10, Carolynne rated it liked it Shelves: historical-fiction. Even a flood fails to keep the pages turning. However, these books are less racist than the originals. Mar 05, Marissa Hughes rated it really liked it Shelves: own. Sep 09, Paul Lunger rated it Little Farm in the Ozarks was amazing.

The second book in the Rose Years is just as enjoyable as the first if not more so. Jan 10, Kacey Kendrick Wagner rated it really liked it. Still love following along the lives of the Wilders. This one tells about farming, gardening, fishing, raising chickens, making friends, and Rose as the new girl at school. They are finally diversifying their farm so as to avoid financial ruin Happy they figured that out.

One of my favorite parts--now that I'm a married adult--is the fight Laura and Almanzo get in over the stove. Aug 06, Mr. Graham rated Little Farm in the Ozarks liked it Shelves: childrenshistorical-fictionbiography. These are not as good as the original Little House books which were written in first person by Laura Ingalls Wilder herself. However, all indications are that these books are faithful to the life of Laura's family. They were written as a continuation of the story of Laura's life beyond the original series.

Apr 06, A. Frailey rated it really liked it. I really enjoyed this story. It was one of the most like the original Little House series. I am getting a real feel for the characters and the setting. We already ordered Little Farm in the Ozarks next couple books May 23, Katina Stewart rated it it was amazing. It's easy to get caught up in Rose's life in the Ozarks. Good easy read. Jun Little Farm in the Ozarks, Michelle rated it liked it Shelves:

children-young-adult/little-house-on-the-prairiebooks-readfiction.

I may have not read the original Little House series for a good many years, but thanks to frequent re-runs of the TV show, I still have a pretty good recollection of the events although I know that it differs quite significantly from the books. Why else would you have EXTREMELY similar character I may have not read the original Little House series for a good many years, but thanks to frequent re-runs Little Farm in the Ozarks the TV show, I still have a pretty good recollection of the events although I know that it differs quite significantly from the books.

The fire. The first day at school. The first friend. The flood. You could probably pick any of the earlier Little House books and it would have the same events to this one. Or similar. I still enjoy reading about Rose but the first two books cover the span of a year. This is only pages, so slightly shorter than the first book in the series. Is there anything significant that happens in these books? Not really. Apr 05, Jaime K rated it liked it. This is a decent continuation of Rose's life.

Overall though, it was kind of bland, though it shows Rose aging. We've skipped over the Wilder's first winter in Missouri, showing that nothing of import happened then. The book begins in February, where spring is a-coming. It's weird for them, and for me, to think of spring so early.

Swiney and Abe Baird are interesting boys. Abe is a fine young man with a lot of responsibilities, but he carries them well.
