## Best Figure Drawing Books of All Time - BookAuthority

A world-class photographer provides an extensive collection of traditional life drawing poses, including male and female figures in standing, seated, reclining, and action poses, each shown gracefully in circular movement, taking in all views. Read Less. Read More. Write a Review. Making clay models, plastics, statues and dolls, there is no life model at hand in a pose you need. But this very book supplies you with all the models, male and female in all poses you need.

Hanni Sarris told us about this book and her dolls are excellent real search her. My wife is making her fairy doll as nice with the help of this book which lies open at her desk. After you learn how to draw, this book gives you a varied selection of poses and lighting effects for practice.

It's less expensive than hiring a live model or trying to convince a friend to get naked. They just won't do that for your pursuit of artistic perfection. I recommend this book for its diverse and interesting poses.

Also, the models are attractive and shapely which I think makes for a more interesting drawing session. See All Customer Reviews. This item doesn't have extra editions. Trade paperback, Good. ISBN ThriftBooks - Motor City.
