Students will deepen their understanding of the English language and expand their vocabulary through forty-one lessons. Each lesson is formatted with either a prefix, suffix, or root word, complete with the meaning and some sample words. New words built around these concepts follow, with definitions of each and a sample sentence that uses the word in context. Students are then asked to complete a practice section.

These exercises vary in construct, including fill-in-the-blank, Red Hot Root Words Book 2: Mastering Vocabulary with Prefixes, identifying synonyms and antonyms, identifying the best context for the word, and more.

Following every second lesson is a review page that tests students on the Suffixes and Root Words and words they learned in the previous two lessons.

Very doable and user friendly. Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts: prefixes, root words, and suffixes.

This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations.

This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes.

In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied.

Dimensions Rainbow Resource Center Store My daughter goes to school in California and we have her in the summers and on breaks. California is severely lacking in the language and vocabulary department with the core curriculum. My daughter is going into 5th grade, and her brother, going into 2nd grade, has a far more extensive language base and vocabulary taught in his core curriculum than she does.

Attempting to give her a more solid language base with this resource. Abbey G on Jul 21, My daughter goes to school in California and we have her in the summers and on breaks.

A listing of individual items that make up a package is provided on the package item's product detail page along with real-time item availability of those items. Any item sold as a package on our website is identified by a unique alpha-numeric item number such as "APH1AB". Although packages are sets, items are not physically bundled together. Because most package items or components are also sold separately and may be components of multiple packages, these items may not have the same inventory availability at any point in time.

When you order a package, you are charged one price for all package items. In-stock components will ship according to our normal shipping time. Any backordered components will ship separately as they become available. On your packing slip, Red Hot Root Words Book 2: Mastering Vocabulary with Prefixes components are picked and packed individually and are identified with the code "PKGCOMP" in the price column.

The package item number is also listed at the bottom of your packing slip for reference. Please note that if your order ships in multiple boxes, package components may not all be in the same box. Package content is not flexible and cannot be modified. Packages are returnable if all package items are returned, but individual items purchased as part of a package are returned, they may be refunded for less than the individual purchase Red Hot Root Words Book 2: Mastering Vocabulary with Prefixes of that item, as they were purchased as part of a discounted package.
