Emily Jones and the elves set out to find someone who can help Azari get her fire magic back. But they're being followed by a ginormous Lego Elves: A Magical Adventure. It turns out to be Lumia, the Guardian of Light. She's a shapeshifter. She wants to help Azari, but she can't. The Fire Lion - the Elemental Guardian of fire - has been captured. All fire magic has vanished from Elvendale. And now Lumia fears for the safety of the other Elemental Guardians - Could this have something to do with Emily's vision?

And who are the Elemental Guardians? What is myth, and what Lego Elves: A Magical Adventure real? Aira the wind elf embarks on a mission to bond with the Guardian of Wind: the quiet, ancient Wind Dragon. But her eagerness to get him up to speed on all their magical adventures in Elvendale is giving the kind, old dragon a raging headache.

He decides to teach Aira a little more patience and focus. He begins to teach her how to use the cyclone bow - a weapon of great power. Even with all their differences, could this odd pair both learn a new thing or two? Emily manages to get her broken amulet working just long enough to make it Lego Elves: A Magical Adventure the portal to Elvendale.

Her instincts were right. Something is wrong - with Azari the fire elf. She is cold as ice and has lost all her powers. She feels weak and helpless. Emily and the other elves try to comfort her. What are they going to do? Who can help Azari? Meanwhile, Farran makes friends with a mysterious new creature.

Emily Jones and her elf friends have no idea what ancient dark forces are plotting to do in the magical land of Elvendale - The elf witch Ragana comes across an old book that tells the legend of the most powerful, evil witch of all time: Noctura. But Ragana is not impressed - after all, if Noctura was so powerful, how did she let herself get banished from Elvendale Lego Elves: A Magical Adventure eternity? But the Shadow Fountain is about to reveal more than just the legends and secrets of Elvendale.

Evil is coming. Emily Jones' s magical amulet - and her key to the portal to the magical land of Elvendale - is broken. Something is wrong. Searching for clues in old boxes in her grandmother's attic, she finds a Lego Elves: A Magical Adventure that doesn't seem to make any sense - Her little sister, Sophie, tries to help.

Suddenly, Emily has a terrifying vision - Something truly evil has found its way to Elvendale. She HAS to act. Emily Jones has another terrifying vision: the majestic Guardian of Fire, the Fire Lion, may still be alive, but he is very weak. The dark witch Noctura has enslaved him. He's powerless to escape her cursed chains. Noctura wants to claim his powers for herself so she can break the spell that banished Lego Elves: A Magical Adventure from Elvendale.

She has been plotting her revenge for over a thousand years - Her time has come. With the help of her bat minions, she can finally return from the Shadow World. Know what this is about? Be the first one to add a plot. Azari the fire elf is in a slump. With her magical powers gone, she feels useless and is about to give up all hope. Lumia, the Guardian of Light, knows just how to cheer her Lego Elves: A Magical Adventure.

She invites Azari to see for herself how only truly powerful fire elves can pick up the ancient Volcano Hammer.

Can Azari find the spark she needs to get some of her fire magic back? Everyone has magic, according to Lumia, the Guardian of Light who can shape-shift into a bird - after all, some say humans are descended from elves, including Emily's grandmother.

But can Emily access the magic now that her amulet is broken? Cory and Cyclo have lost two friends to the Shadow World and know that they must do something, but what can it be? Do they join forces with Emily and the elves to battle Noctura?

They took on Ragana and the Goblin King and proved that they can fight, but Noctura may be a different type of foe. She is a strong enemy with powerful magic of her own - It's a risky undertaking because once they cross into the Shadow World, they cannot return unless they defeat her.

Meanwhile, Azari cannot wait to play whack-a-witch. Will she get her chance? Emily and the Elves have reached the point of no return - they are in the Shadow World looking for Noctura and preparing for the battle to come, but first they must cross the Valley of the Nightshade to reach her tower - unless Noctura reaches them first.

The final battle with Noctura begins. Emily Jones and the elves seem powerless against Noctura. Her evil bats and spiders are everywhere. Rowan, the Guardian Fire Lion, has managed to save a single spark of his magic. But will it be enough to reignite Azari's Volcano Hammer and restore power to the other Elves? It's time to put all their powers to the ultimate test.
