Macmillan English Practice Book and CD-ROM Pack New Edition Level 4 by Mary Bowen

Using participation-based learning such as shared listening and reading exercises, Macmillan Macmillan English Practice Book & CD-ROM Pack New Edition Level 1 encourages children to work together, which helps build their confidence. Traditional EFL methods are reinforced with

phonics and sentence-building activities, giving children who are adapting to English as a second language Macmillan English Practice Book & CD-ROM Pack New Edition Level 1 tools they need to start mastering it.

The Macmillan English Language Book gives pupils the opportunity to work through basic skills such as reading, comprehension, sentence and language building, grammar, listening, phonics, spelling and class writing. Revision pages reinforce material already learnt. The Macmillan English Fluency Book helps children to develop natural intonation in speaking English through an exciting adventure story at lower levels, and at higher levels through a radio programme with accompanying writing tasks.

A full colour book complete with engaging illustrations and stickers. Activities include grammar exercises, writing tasks and grammar check-up pages to support and reinforce the material being learnt. Key aims and targets are clearly identified for each lesson. Macmillan English Six-level course combining L1 and L2 language learning methodology. Key features A range of course components, including Language, Practice and Fluency books helps children learn and practise new language in a variety of contexts.

The course is perfect for schools working towards the Cambridge International Programme, and is mapped to the Cambridge English Curriculum. A range of games and class activities encourage participation and reinforce lesson work, with assets like posters and flashcards making learning more visual and memorable.

Language Book The Macmillan English Language Book gives pupils the opportunity to work through basic skills such as reading, comprehension, sentence and language building, grammar, listening, phonics, spelling and class writing. Fluency Book The Macmillan English Fluency Book helps children to develop natural intonation in speaking English through an exciting adventure story at lower levels, and at higher levels through a radio programme with accompanying writing tasks.

MACMILLAN ENGLISH 1 Practice Pk - AbeBooks - Bowen, M.:

She specialises in producing coursebook and audio materials for younger learners. Printha Ellis taught English as a foreign language on four continents, including extended periods in southern Asia and northern Africa. Following an honours degree in English, she was granted master's degrees in English Literature from Leeds and, more recently, Applied Linguistics from Birmingham. She also worked as a writer-in-residence at two British Council summer schools held at Durham University, based on the themes of authenticity and innovations in ELT.

Louis is passionate about the importance of quality primary education, and literacy in particular. He has over forty years' experience in primary education, including as a principal of a primary school in the Middle East. Louis is a widely published author of children's text books in the UK and is involved in curriculum development and teacher training internationally. He is co-author of the groundbreaking primary coursebook, Macmillan English. Liz taught English at secondary level in the UK and has many years' experience as an editor of ELT course books and other teaching materials for primary and secondary school students.

She has written material for the best-selling Macmillan primary course, Way Ahead. She was one of the authors of the ground-breaking primary course, Macmillan English, and is one of the author team of the level course, English World. She has taught in both primary and secondary schools in the UK and primary schools in Zimbabwe, as well as a Macmillan English Practice Book & CD-ROM Pack New Edition Level 1 of higher education.

Her teacher training and lecturing has taken her to many parts of the world. Du kanske gillar. Mixed media product Engelska, Spara som favorit. Skickas inom vardagar. Macmillan English is the first International English coursebook to be Macmillan English Practice Book & CD-ROM Pack New Edition Level 1 by English lessons in native speaker classrooms. It is designed for second language learners of English but uses many of the approaches Macmillan English Practice Book & CD-ROM Pack New Edition Level 1 reading, writing and speaking that underpin the teaching of English to first language children.

In the early levels, the course does not assume a first language child's experience of spoken English or culture. Language structures are introduced and practised to give a firm grounding in grammar, but from the start, the exposure to new language is more extensive than in traditional second language courses. As children move up through the course, they experience more first language teaching methods. At the upper levels children cover the same aspects of English as do first language learners, though the needs of second language learners are always taken into account.

Each level of the course is delivered through eighteen units. Each unit has six lessons requiring a minimum of seven teaching sessions. Passar bra ihop.
