The seven books in the Finger Phonics series correspond to these number groupings of letters.

Finger Phonics Books are beefy board books corresponding to the seven step order. Each has print letter cut-outs that allow for finger-tracing - a satisfying tactile experience. A dot shows the origin point and arrows direct the flow - preparing your child for writing. Kids will have a jolly good time learning to read with this well-constructed program which originated in Great Britain. Used successfully with students as young as three, the methods and results achieved are impressive.

Five skills are taught, in tandem, throughout the program: learning letter sounds; learning letter formation; blending; identifying the sounds in words, and tricky words irregular words.

Teaching is straight-forward, but fun. Children learn via visual, auditory, and tactile-kinesthetic modes. For instance, sky-writing and finger-tracing of letters. Letters are introduced in a seven-step order non-alphabetical that allows immediate decoding of many words. All program components are high quality, well-designed, easy to use, and most are brightly colorful.

The Phonics Handbook provides a year's worth of detailed lesson plans. Carefully thought out, it progresses systematically - introducing then honing each skill. Instructions for each presentation are simple, straightforward and sensible. The Phonics Handbook is available in either a print letter or precursive version. Other Jolly Phonics material is all print letters. Student Books each feature all 42 letter sounds and are used for reinforcement and further skill development.

They cover letter formation, listening for letter sounds in words, blending activities, and tricky words. The books build on each other; each introducing more tricky words as well as sound spellings and spelling patterns and even basic sentence structure.

The Teacher Book accompanies these books and provides detailed lesson plans for each page of the Student Books as well as reduced copies of the student pages. Material in the Student Books and the Teacher Books is identical to the material in the Phonics Handbook except that they are full-color and non-reproducible. Student books 48 pgs; Teacher's book pgs. The seven books in the Finger Phonics series as well as the Activity Books correspond to these number groupings of letters.

Entertaining videos introduce letter sounds and a movement for each letter is "hooked" to a memorable story. The Decodable Readers are colorful and engaging, sets of leveled practice readers using decodable regular words words that are made from the 42 letter sounds and a small number of tricky words frequently used words that are not fully decodable at this state.

Levels 1 and 2 complement the material being taught in the Jolly Phonics program. Complete Sets provide individual books while each leveled Decodable Reader has six stories in one book. The stories are the same whether in an individual book Finger Phonics: Book 3: In Precursive Letters (BE) in a complete set. Each book begins with a review of Finger Phonics: Book 3: In Precursive Letters (BE) plus a listing of Tricky Words, Each story concludes with comprehension questions that focus on "What was in the book?"

If you have never taught a child to read, this will boost your confidence, as you watch various under-fives learning to read fluently and writing in full sentences. Included is a one hour video "Using Jolly Phonics" which does a great job of conveying the philosophy, approach, and teaching methods employed in the program.

Jolly Phonics Workbooks put newly acquired skills into practice with letter stroke and print letter practice. These correspond to the Finger Phonics Books. There is a 2-page spread black and white for each phoneme that recaps the story, motion, provides additional writing exercise tracing the target letter and introduces the upper-case symbol. Each page workbook seven in all - one for each group of letters also includes a variety of recap activities at the end.

Jolly Songs is a collection of songs set to popular tunes for each of the 42 letter sounds. This set includes a CD and a print letter book. In addition to the songs sung by children in British English the CD also includes a spoken guide to all 42 letter sounds and alternative vowels.

The page book includes games and activities. The Letter Sound Poster is a single sheet 23" x 33" with the 42 letter sounds print version arranged in their groups.
