## **The Bridgertons: Happily Ever After | Julia Quinn | Author of Historic Romance Novels**

There seemed little chance she could plead complete innocence; she had been caught red-handed, after all. Or rather, purple-handed. She was clutching a breathtakingly aromatic blackberry pie, and the still-warm filling had started to ooze over the lip of the pan. She could say that she was hungry. Miss Fernburst knew well enough that Violet The Bridgertons: Happily Ever After mad for sweets.

It was not entirely out of The Bridgertons: Happily Ever After realm of possibility that she might abscond with an entire pie, to be eaten. Violet

thought quickly. Where would one go with an entire blackberry pie? Miss Fernburst would never believe Violet was dumb enough to do that. No, if she were stealing a pie in order to eat it, she would take it outside.

Although not exactly to eat a pie. Most of the time she found this vexing—no one liked to be thought a baby, after all. But she was not above using her petite stature to her advantage when the situation warranted.

Mette and Sonia and Francesca and Fiona Marie and. She did have a rather absurd number of dollies. As the only child in her generation, despite having a raft of aunts and uncles, she was showered with presents on a regular basis. Someone was always coming to visit them in Surrey—the proximity to London was simply too convenient for anyone to resist—and it seemed dollies were the gift du jour. Violet smiled. Miss Fernburst would have been proud of her, thinking in French.

It was really too bad there was no way to show it off. Or consume it. I was planning to go back for a spoon. Ledger walked closer. She was sunk now.

He saw through everything. Her father knew her far too well to make it a question. You know that he is. But she was still holding that accursed pie. Menu More Topics. Get the App. The Bridgertons: Happily Ever After Elizabeth! She might make a The Bridgertons: Happily Ever After of this lie yet. Violet nodded. Well, a little nod. Or maybe more of a bob of the chin. She said nothing. For that Bridgerton boy. Her father waited for her to finish the thought. She did not. Julia Quinn.

Feb 27, Exina rated it really liked it Shelves: short-stories-novellaseriespregnancycan-t-be-read-out-of-orderdifferent-quality-storiesemotionalkidsgriefhumor-funnyThe Bridgertons: Happily Ever After. Happily Ever After is a lovely collection of second epilogues to the Bridgerton series.

The Duke and I 4 stars A sweet and heartwarming episode about an exceptionally happy marriage, with an even sweeter surprise. Twenty-one years of marriage and still There is no fair play. An Offer From a Gentleman 4 stars originally published as an e-short It is about Posy and not about Sophie and Benedict who happen to be one of my favorite couples, so it was a little disappointment for me.

And as usual, it's also written in a very engaging way. Sophie and Benedict appear in this story, and they are lovely. Benedict nodded slowly. It's totally unnecessarily and overcomplicated, but the story is also full of witty dialogues, so it is amusing after all. Amanda now is 19, and has become an elegant, observant, and witty young lady. Not surprising, but still heartwarming to read about how much The Bridgertons: Happily Ever After loves her stepmother, Eloise, and how idyllic their life is.

She tells the story of meeting her The Bridgertons: Happily Ever After husband, Charles, and we get a glimpse of Eloise and Phillip as well. When The Bridgertons: Happily Ever After Was Wicked 5 stars It was such a sweet surprise! But this novella is the best one of the second epilogues. First, it is about the two of them, and not someone else. Second, it is emotional and sweet. After fifteen years of crazy but unrelenting search finally Hyacinth did it! Isabella — as she is just like her mother — instinctively knew what Hyacinth needed: she wanted to be the The Bridgertons: Happily Ever After who view spoiler [finds the diamonds.

Drama, drama, drama. Plus unimaginative and boring names for the babies. It is funny, beautiful, heartbreaking, and tragic, but it also makes you smile. View all 7 comments. As I have read, rated, and reviewed the rest before the release of this book. I The Bridgertons: Happily Ever After sad with the end of Bridgertons series because it is The Bridgertons: Happily Ever After of the best series I've ever read. And with amazing wonderful stories in it.

With this book, I am once again, fill with happiness! I've missed them so much! Duke and I: The 2nd Epilogue - 4 stars I wasn't expecting to laugh out loud reading the s Overall: 4 stars I will review about Simon and Daphne's, Gregory and Lucy's, and Violet's happily ever afters only. Duke and I: The 2nd Epilogue - 4 stars I wasn't expecting to laugh out loud reading the story.

Of course, it has got to be something about Simon and Daphne. And Colin and his family made appearances too. On the Way to the Wedding: The 2nd Epilogue - 4 stars For this story, all I can say is that what happened to Lucy makes Gregory's and my hair turn gray in fast pace. Violet in Bloom: Novella - 5 stars I had mixed feelings for this story.

It is so beautiful but at the same time, heart wrenching! Finally, I got to know the late Edmund. He made her happy. He was her other half [ He

had the very best laugh, our papa Cried in the inside. I cried for Violet because she lost her dear beloved husband. I cried for Hyacinth because she wouldn't know her father in different approach. The story is happy at first, not at the middle but okay in the The Bridgertons: Happily Ever After. But I felt sorrowful The Bridgertons: Happily Ever After my entire reading because I knew what happened then.

It's just so sad, really. I was left again yet by another mystery. I wonder, who is the man dancing with Violet at the masquerade ball? I think this is truly the end of Bridgertons series, huh. I love and miss the family. View all 6 comments. Aug 06, Sabina rated it it was amazing. I love all the books in this series!

Being able to see what the kids turned out to be and how they lived their lives was fantastic! Aug 11, Antica rated it it was amazing Shelves: audiobooksromancefictionhistorical-fictionregencyjulia-quinnenglandseries19th-centuryfavorite. Release announcement: Oh my god!

At long last! After years of waiting; this is Finally coming to print!!!!!! And there's a section dedicated to Violet!! How much better can this get!!! Violets story was so precious, so heartbreaking I was screaming in horror when I realized that she included the scene Release announcement: Oh my god!

Violets story was so precious, so heartbreaking I was screaming in horror when I realized that she included the scene where Violet finds Edmund the moment he died and so wholesome I also was horrified when JQ almost almost hinted that Violet would actually have another man in her life, as deserving as she is of love, I am glad that she didnt go that route.

## The Bridgertons: Happily Ever After by Julia Quinn

But not just any family. Through eight bestselling novels, readers laughed, cried, and fell in love. But they wanted more. What happened next? Do Francesca and Michael become parents? Who would win in a Pall Mall grudge match? The Bridgertons: Happily Ever After get to know the Bridgertons all over again—because Happily Ever After is a whole lot of fun. Have you ever wondered what happened to your favorite characters after you closed the final page?

Wanted just a little bit more of a favorite novel? For those of you who have not read the Bridgerton novels, The Bridgertons: Happily Ever After would caution you that some of these 2nd Epilogues might not make much sense without having read the accompanying novel.

For those of you who The Bridgertons: Happily Ever After read the Bridgerton novels, I hope you enjoy reading these short stories as much as I have enjoyed writing them. Read Buy. Midway through The The Bridgertons: Happily Ever After and ISimon refuses The Bridgertons: Happily Ever After accept a bundle of letters written to him by his late estranged father.

Daphne, anticipating that he might someday change his mind, takes the letters and hides them, but when she offers them to Simon at the end of the book, he decides not to open them. Readers wanted to know what was in the letters, but I must confess: I did not.

What interested me was what it would take to make Simon want to read them. ... They are viciously competitive and completely dismissive of the rules, having long since decided that the only thing better than winning is making sure your siblings lose. When it came time to revisit the characters from this book, I knew it had to be at The Bridgertons: Happily Ever After Pall Mall rematch. An Offer from a Gentleman is my homage to Cinderella, but it soon became apparent that the story had one too many wicked stepsisters.

Where Rosamund was malicious and unkind, Posy had a The Bridgertons: Happily Ever After of gold, and when the story reached its climax, she was the one who risked everything to save the day. It seems only fair that she, too, would get her happy ending. ... To say that a big secret was revealed in Romancing Mister Bridgerton would be a major understatement.

I had long wanted to try my hand The Bridgertons: Happily Ever After writing in the first person, so I decided to see the world through the eyes of a grown-up Amanda. She was going to fall in love, and Phillip and Eloise were going to have to watch it happen.

Their love story had been so moving and so complete that I felt I had closed the book on them, so to speak. When I sat down to write the 2nd Epilogue, I knew that this was the question I must answer. ... But in the end, I agreed with readers: Hyacinth deserved to find those diamonds... eventually. In the case of On the Way to the Weddingthe question I heard the most post-publication was: What did Gregory and Lucy name all those babies?

Romance novels, by definition, wrap up neatly. The hero and heroine have pledged their love, and it is clear that this happy ending will be forever.

So romance series are instead collections of spin-offs, with secondary characters returning to star in their own novels, and previous protagonists popping by occasionally when needed. Rarely does an author get the chance to take a character and watch her grow over many books. This was what made Violet Bridgerton so special. When she first appeared in The Duke and Ishe was a fairly two-dimensional, standard regency mama. But over the course of eight books, she became so much more.

With each Bridgerton novel, something new was revealed, and by the time I finished On the Way to the Weddingshe had become my favorite character in the series. But I, too, wanted to learn more about Violet, and it was a labor of love to write. All Books Newsletter Site Updates. Bridgerton Series. Add this book to GoodReads:

The Bridgerton 2nd Epilogues provided the perfect outlet for this. The shorter format was a breath of fresh air, and I even wrote one in the first person. I have always felt that I could not write a full-length novel about Violet and Edmund Bridgerton, despite countless request from readers. I thought and still think it would be too difficult, knowing that he would die so young. But I wanted to show a bit of their courtship, and the episodic nature of Violet in Bloom gave me the perfect opportunity to do this.

I almost wrote the bonus story about a Bridgerton descendent instead of about Violet. I am often asked to name my favorite of my novels. It's an impossible question; each of my books has something about it I adore. If a scene isn't working, I usually figure that out before getting too far, which is why I don't have very many deleted scenes posted on my website.
