Purity of Revenge is a quest available in The Elder Scrolls V: Skyrim in which the Dragonborn must assault the headquarters of the Silver Hand and recover the stolen fragments of Wuuthrad. The Silver Hand have attacked Jorrvaskr and Kodlak was killed in the fighting. Vilkas wants the Dragonborn to travel with him to attack the Silver Hand, retrieve the fragments of Wuuthrad and avenge the death of Kodlak. After the death of Kodlak Whitemane, Vilkas will seek revenge.

With no questions asked, he will then act as a The Purity of Vengeance all the way to the Silver Hand hideout at Drifshade Refuge, a small fort

southeast of Dawnstar. Note that he will replace any existing follower and it is not possible to share things with him, so he cannot be The Purity of Vengeance to help carry things if the Dragonborn is overencumbered.

Upon arrival at the refuge, the Dragonborn must dispose of the three The Purity of Vengeance Hand members The Purity of Vengeance the exterior, then head inside. Driftshade Refuge contains multiple hostile Silver Hand members, so The Purity of Vengeance Dragonborn can take advantage of Vilkas as a follower and kill the opposition one by one.

In the first room down the stairs, aside from Silver Hand members, there is an end table and regular table with loot on and within them. The door straight ahead north is barred.

To the west is a room with several bookshelves, numerous books most ruined or burned and another table with random loot. To the north is another room with bookshelves and a table, and a passage leading west to a wooden door. Through the door is a two-leveled room with many boxes on the floor. Among the many books on bookshelves, there is An Explorer's Guide to Skyrim which will add a few map markers for later exploration. It is located on the upper level, on a bookshelf against the west wall beneath a mounted elk head.

To the west on the lower level is The Purity of Vengeance Adept-locked chest containing gold and potions. The tunnel north of the room leads to an Adept-locked door on the left.

The Dragonborn has the option of unlocking it and The Purity of Vengeance more of the Silver Hand, then looting the chest and taking the ingots from the table. In the next room, a set of spears block the entrance, but the corresponding lever is located right next The Purity of Vengeance the spears. The Dragonborn should proceed forward and enter Driftshade Cellar.

On the left side behind some barrels is a chest with leveled loot. One must follow the path and make use of the spike wall trap to dispose of enemies. The Purity of Vengeance the spike wall, one The Purity of Vengeance activate it using the pull bar on the right and enter the area behind it for another treasure chest.

A pullbar on the wall can be used to get The Purity of Vengeance out. Travel east to a door to another room with two enemies and, hidden on a shelf, the Light Armor skill book The Rear Guard can be found.

The cellar will turn into a snowy cave, and the next room is in two levels, with a Silver Hand archer on the above ledge. The Dragonborn should kill them and examine the cages. One of them The Purity of Vengeance a living werewolf who will become hostile and attack if the cage is unlocked; the other one contains a dead horse. After passing through a torture chamber, the next large chamber contains only a couple of enemies. A coin purse two potions, and an apothecary's satchel filled with a few ingredients can be found on a bookshelf behind the fireplace.

The satchel is located on the top shelf of the bookcase, and can be easy to miss, as this is a darker corner of the room. Taking the only available path, one will be The Purity of Vengeance back to an initially inaccessible part of Driftshade Refuge behind the barred door in the first room. The first chamber contains the three remaining members The Purity of Vengeance the Silver Hand, the One-Handed skill book Morning Star, v1 the Block skill book Warrior's treasure chest with considerable loot, and the stolen Fragments of Wuuthrad.

Using the door to the south allows for an easy escape route to return to Jorrvaskr. As soon as the Dragonborn arrives, Vilkas will be quick to inform them that the rest of the Companions should meet up at the Skyforge and pay their respects to the deceased, but now avenged, Whitemane. The Purity of Vengeance will complete the quest and trigger the start of next quest, "Glory of the Dead. This The Purity of Vengeance contains bugs related to Purity of Revenge.

Before adding a bug to this list, The Purity of Vengeance the following: Please reload an old save to confirm if the bug is still happening.

This can be remedied on PC, but console users will have to wait for updates. In order to start the quest, the Dragonborn will need to find Vilkas, open the console and type setstage c05 This will cause any follower to leave and Vilkas to join as a quest follower. The quest should then activate normally. If this did not work, finishing the quest "Helm of Winterhold" without killing anyone inside is advisable.

Because The Purity of Vengeance quests are in the same location, if the Dragonborn has the quest, then they should find Vilkas and type setstage c05 For the best chance of this fix working, do not attack anyone and only take the Helm of Winterhold from the chest.

Another solution is to complete the quest to retrieve the Helm of Winterhold first and check back at Jorrvaskr occasionally. The quest will eventually start upon entering. A different solution is to go into Jorrvaskr and immediately cancel the conversation with Vilkas, then go and complete the Helm of Winterhold without killing anyone and return to Jorrvaskr on completion.

The quest will initiate, but Vilkas will not start the conversation, thus making it impossible to find out why Kodlak is dead. If it has already been cleared, one should enter the Driftshade Refuge dungeon, go into the console and type prid a99c then resurrect.

Afterwards, leave Driftshade Refuge and type into the console setstage c05 It is now possible to go to Vilkas and start the quest. This will reset the next dungeon and "Purity of Revenge" will trigger as normal. Sometimes, Vilkas will not fight back when being attacked. On the last part of the quest when the Dragonborn returns to Jorrvaskr, the quest marker will direct them to go in and out of the same door constantly.

When the Driftshade Refuge is first entered, the door that is impossible to be open due to the fact that it is barred may open anyway. The door bar will be blocking the way, however it is possible to jump over it to enter the next room. The Fragments of Wuuthrad will be in this room, but none of the enemies will. If the Dragonborn is with Serana and she is replaced with Vilkas, they can ask her to follow them again, providing the Dragonborn with 2 essential companions that cannot be killed.
