I remember watching the movie a few years ago and being blown away by the mystery Neil Gaiman & Charles Vess Stardust magic of it. Its one of those stories you never forget like "The Never Ending Story".

This book brought back the same emotions. Books like these bring out the romantic side of a person. I loved it. I definitely re-read this book in the future. The books ending was very different from the movie but it was amazing. Neil Gaiman is a king of fantasy. A few clunky stylistic Neil Gaiman & Charles Vess Stardust and some unanswered plotlines, but the last chapter and epilogue are stellar.

I must say, aside from Charles Vess' eloquent illustrations, I may actually favor the film version more. I am slightly interested to know how different the plain text version that Gaimon released a few years later is, though. Charles Vess born June 10, [1] is an American Neil Gaiman & Charles Vess Stardust artist and comics artist who has specialized in the illustration of myths and fairy tales. Vess has won several awards for his illustrations. Charles Vess began drawing comic art as a Neil Gaiman & Charles Vess Stardust. In he moved to New York City and became a freelance illustrator.

During that period, his work appeared in one of the first major museum exhibitions of science fiction and fantasy art, held at the New Britain Museum of American Art in InVess began one of his best-known collaborations to date, with writer Neil Gaiman.

Vess contributed eight drawings for a prose-based inset that appeared in Sandman 62 "The Kindly Ones: 6" and illustrated the final issue of the

series, Sandman 75, a second Shakespeare adaptation "The Tempest". Between and the collaboration between Vess and Gaiman continued in the four-part series Stardust a prose novella to which Vess contributed paintings. The series was collected and published in trade paperback form by DC Comics' Vertigo imprint. In Vess's own Green Man Press produced a portfolio as a benefit for his wife Karen, injured in a Neil Gaiman & Charles Vess Stardust accident, titled A Fall of Stardust which contained two chapbooks and a series of art plates.

Issues were collected and published as Ballads in The work was reprinted as a hardback by Tor Books in with additional material, including an introduction by Terri Windling. Vess worked with longtime Neil Gaiman & Charles Vess Stardust and writer Charles de Lint on at least half a dozen publications, including Seven Wild Sisters Subterranean Press and related projects A Circle of Cats Viking, and Medicine Road Subterranean Press, as well as a later edition by Tachyon Publications, along with others mentioned above.

In Vess did both a color cover and front page illustration and additional black and white interior illustrations for a 20th anniversary signed, limited edition of Moonheart, by de Lint Subterranean Press. Vess was chosen by Saga Press to illustrate The Books of Earthsea: The Complete Illustrated Edition a compilation of all five Earthsea novels, as well as short stories, including some previously unpublished works.

During the process, Vess had a chance to work closely with Le Guin, translating her vision onto the page. Vess described their work together as a true collaboration, saying in "In an interview, Vess cited among many artistic influences, beginning with the Neil Gaiman & Charles Vess Stardust British book illustrator Arthur Rackham saying.

I discovered his work while I was still in college and immediately fell completely in love with it. His art, unlike a lot of other artists that I discovered at the same time Maxfield Parrish Frank Frazetta etc.

I've never grown tired of. I always find myself learning new things every time I study it. The show ran from fall through summer From Wikipedia, the free encyclopedia.
