Also, I like the discussion questions at the end. Thought provoking and relevant. I recommend both books. Read it with someone. Nov 12, Curt Mize rated it it was amazing. It is his series of sermons through every OT book. Excellent for someone wanting an in depth overview or, like me, teaching a series on each book. He clearly explains how the gospel is woven throughout each book.

As the reason this book almost made 4 stars, otherwise This volume is really a collection of sermons edited into book format. They are the reason this book almost made 4 stars, otherwise it is a very solid 3.

Single-sermon "flyovers" of entire books can be very helpful, but, honestly, some of the OT books are just too large to satisfactorily accomplish The Message of the Old Testament: Promises Made goal, and that is often where this book suffers the most, even at over pages.

Recommended for those who are interested in learning more about the Old Testament books but who are leery of stepping into more comprehensive commentaries. Jul 16, Alex Yi rated it it was amazing. Promises made. He clearly explains how the gospel is woven throughout each book. Excellent for someone wanting an in depth overview or, like me, teaching a series on each book. He clearly explains how the gospel is woven throughout each book.

Perhaps that is one of the reasons that I find perhaps the best treatments to be those chapters dealing with the minor prophets at the end of the book. They are the reason this book almost made 4 stars, otherwise This volume is really a collection of sermons edited into book format. They are the reason this book almost made 4 stars, otherwise it is a very solid 3.

This volume is really a collection of sermons edited into book format. The sermons were originally presented between Sept. Honestly, I really feel you can discern the increasing quality of Mark Dever's preaching ability as you advance through the sermons.

Also, I like the discussion questions at the end. Thought pro Promises made. Thought provoking and relevant. I recommend both books. Read it with someone. Nov 12, Curt Mize rated it it was amazing. It is his series of sermons through every OT book. Excellent for someone wanting an in depth overview or, like me, teaching a series on each book. He clearly explains how the gospel is woven throughout each book.

The sermon on Zechariah was, according to him, his first on the book. The leadership sermon on Daniel is quite good. Dever does a good job of finding Jesus in the Old Testament, particularly. Apparently at Capitol Hill if the morning sermon is OT, the evening one will be a parallel passage in the NT-- at least that was his stated practice when he was preaching these.

I highlighted dozens of passages, too many to list here. I give it 4 stars out of 5. I doubt Nehemiah was given to us to teach 8 points of leadership or Jonah to confront the storms in our lives. Dever constantly uses the threat of the final judgment to increase obedience and holiness. This is the page straight out of Richard Baxter.

For Christians, our final judgement happened on the cross. If Christ has erased the penalty of the law and granted us a positive righteousness before God, what, exactly, could we possibly we judged for? Since Dever claims heritage to the Reformation he would do well to study the Reformed position on this as articulated in the Reformed confessions. In the end, pass. I forced myself to finish it because I do not like not finishing books I started.

Jan 20, Anton Berg rated it it was amazing. I wanted to read the book to get a deeper understanding of the old testament, and I did not get disappointed. While I highly recommend this book, there are a few things which should be considered before buying this book. The book is a collection of sermons, which from time to time becomes too clear. For example, Mark sometimes discusses the recent events, things which might not have stuck to your mind since it now is many years since they happened.

Another example is that all books get approximately the same amount of space, something which feels a little odd. The Message of
the Old Testament: Promises Made that for example Psalms is a whole lot longer than for example Obadiah. This makes it feel like a very brief overview for Psalms for example, while Obadiah gets a "normal" sermon.

Another thing is that it doesn't need to be read from start to finish, but every chapter is its own story. It is therefore perfect for people who want to get an overview of a certain book, for example when the pastor starts a new sermon series. Nov 14, Rick Perez rated it it was amazing.

This is a fantastic expositional overview of the entire Old Testament! I learned so much from Dr. He is a great communicator and gospel-centered expositor. I highly recommend this written collection of sermons collected in this book! Aug 14, Becky rated it really liked it.

The Message of the Old Testament: Promises Made | Crossway

The Old Testament is the The Message of the Old Testament: Promises Made of God's promises to his people. Below its somewhat obscure surface is hidden magnificent truth about the love and power of God.

Throughout its pages the reader can find promise after promise from God, all of which are fulfilled in the The Message of the Old Testament: Promises Made Testament-in the incarnation of Jesus Christ. Author Mark Dever introduces readers to the Old Testament as a glorious whole so that they are able to see the big picture of the majesty of God and the wonder of his promises.

Dever has authored over a dozen books and speaks at conferences nationwide. The books are long and speak about a culture dramatically different from ours. Mark Dever's sermons do not substitute for reading the Old Testament, but they do provide a wonderful help in understanding it. Dever unpacks the major themes of each book with remarkable clarity, and the book also shines in conveying the message of the Old Testament for today. Here is a survey to the Old Testament that is accessible and spiritually edifying.

I thank Dr. Mark Dever for showing us how. We are immeasurably enriched. Ortlund Jr. This is no mere textbook; it is powerful preaching. We are not only introduced to the sweep and message of each book of the Bible but, above all, confronted by our great God and called to obey his living word.

Here is a The Message of the Old Testament: Promises Made through the Bible that is well worth taking! The material is academically informed but presented in a very accessible way with relevant application.

With its Christological focus and careful Christian application of the Old Testament, this book enables readers to get into the theological heart of the message of each biblical book. With a pastor's heart, a scholar's mind, and the intimacy of a friend, Dever introduces the reader clearly and creatively to a book that has changed the world but to which contemporary culture remains largely unexposed.

This book is warm, engaging, straightforward, and profound. It will be a valuable resource for individuals, study groups, churches, unbelievers and believers alike. Dever takes the reader on an unforgettable journey into the most remarkable and moving book ever written. Clear, concise, thoroughly readable.
