The little seagull handbook. Spi ed. New York, NY: W. Reference: Handbook Call Number: Ref With the introduction of new writing standards, all students will be expected to write more pieces. Purpose: The purpose of this handbook is to help students properly cite their resources no matter what specific type they must cite-APA, MLA, Chicago, etc. This book is written for high The Little Seagull Handbook: Write/research/edit and college students.

Validity: This The Little Seagull Handbook: Write/research/edit is only one year old and therefore includes the most recent citing expectations as well as various styles. This resources should stay current for approximately 5 years. Format: The book is approximately pages and is small enough to fit into a pocket. The format includes paragraphs but also bulleted information for quick and easy reference. Many examples are given but no pictures are used. Diversity: There were several books for citations but this book was the most up to date and complete book for referencing sources in a paper.

Also, if 30 students are in the library writing a paper, numerous books need to be available to help them cite their resources. Sep 07, Salimah rated it it was amazing Recommended to Salimah by: Dr. First of all, it was nothing like the tomes we students have had to use before, so that mentally took The Little Seagull Handbook: Write/research/edit lot of pressure off our minds.

Secondly, it was so much like a survival handbook with only the most important details written in. Lastly, this is a book for the ages and can easily fit in any purse or small backpack. Very simple, approachable writing guide. Good for high schoolers or people intimidated by the writing process. Low rating because it didn't meet my needs as a writer, not because it isn't a good guide. Jan 15, Abo Hanash added it. Shelves: college-texts. This is a wonderful little handbook for writers.

Most specifically it deals with many aspects for writing college papers, but any writer will find this a helpful tool to have at hand. Jan 14, Jayda rated it really liked it Shelves: guidesmysschool. Its a slightly boring read, but informative. Oct 04, Mills College Library added it. Oct 02, Ruby rated it really liked it Shelves: universitynon-fictionhere.

A frightful bore to read, but it is an absolute marvel to have on your shelf in times of desperate need.
