I'm Travelling Alone by Samuel Bjork - Penguin Books Australia

Looking for some Scandi-Crime? From *Im Travelling Alone* inside cover: A six-year-old girl is found dead, hanging from a tree, the only clue the Oslo Police have to work with is an airline tag around her neck.

Holger Munch, veteran police investigator, is immediately charged with reassembling his homicide unit. But to complete the team, he must convince his erstwhile partner, Mia Kruger — a brilliant but troubled investigator — to return from the solitary island to which she has retreated with plans to take her own life.

Instinctively, she knows that this is only the beginning. To save the other children from the same fate, she must find a way to cast aside her own demons and confront the most terrifying, cold-hearted serial killer of her career. . . . It opens with the murder of the first girl, with little to go on, Munch, described by his friends as clever and nerdy, realises he needs Mia at his side. In the early chapters, we see Mia Kruger on a deserted island, numbing her pain with drugs and drink, preparing to end her life.

By the time the old team was reassembled, I felt like I already knew Mia and Munch, which allowed me to keep up with this complex *Im Travelling Alone* as their thoughts and actions fitted their personalities perfectly, making the plot more believable. To Mia, *Im Travelling Alone* case is personal and each case leaves its mark. They reached right inside her soul, as if it was her own story, as if she were the victim.

Munch and Mia make a very good detective team, in fact, I liked the whole team and think they gelled together extremely well. What makes this book all the more intriguing were the sub-plots running alongside the main story, building a complex picture of events that came together smoothly to make for a gripping and suspenseful read.

Bjork was constantly upping the ante, *Im Travelling Alone* serial killer with a changing MO, twists and turns galore, causing the tension to increase with each chapter. The dark atmosphere throughout this book was fantastic and made this a compelling read, drawing you in to the mind of not only the villains but the detectives too.

Blogging about books and *Im Travelling Alone* bookish ramblings View all posts by Janel Keeper of Pages. Like Liked by 1 person. Might have to pass on *Im Travelling Alone* one. I can cope with adults being killed but not children. Totally understandable. I think when the kids are the victims or the killers it always make the book harder to read.

Like Like. Excellent review! This book sounds awesome! Awe man, that cracked me up! This book sounds like it has everything that I love in a story like this. Oh wow, your comment has made my day. Thank you so much for your kind and thoughtful words!

I hope you do get a chance to read this book and you enjoy it as much as I did! Great review! I *Im Travelling Alone* this just last week! O Mia is amazing, she really made the book so enjoyable for me! You are commenting using your WordPress. You are commenting using your Google account. You are commenting using your Twitter account. Am I the only one who finds the final scene SO cheesy and predictable? Cliff This answer contains spoilers. . . . view spoiler [The ending showed signs of being rushed - as I say in my review it is almost as if the author got fed up or tired and decided to wrap

up his effort a ...more The ending showed signs of being rushed - as I say in my review it is almost as if the author got fed up or tired Im Travelling Alone decided to wrap up his effort as soon as he could.

The ending concerning the priest and his acolyte was very bad. We needed to know more about the effects of what happened on the rest of the community. I had the feeling that the author included too much with the various threads he introduced Im Travelling Alone, again, had to wrap these up in a hurry less hide spoiler].

This question contains spoilers... view spoiler [I'm a bit confused on 2 things did I miss something - How did know where to find the safe house? Why was she in the infertility support group? Was it a solely a set up by the author for the subsequent murders? Siti They knew the area where Mia and Marion Im Travelling Alone from the GPS coordinates from the video by Sarah's husband where he made the underground room and preten ...more They knew the area where Mia and Marion were from the GPS coordinates from the video by Sarah's husband where he made the underground room and pretended to be scared made that was supposed to throw off the police and into a trap the house was rigged with explosives.

It just so happened that this house was a few doors down from the house Mia and Marion were captive because Karen wanted to hear the explosion go off. But Marion escaped just Im Travelling Alone time to be spotted by a person nearby and then the police Holger got a call from Ludvig saying it was the wrong house and it was a few doors down the road. Im Travelling Alone am also a bit confused about the first kidnapping, I'm not sure Karen's intention of taking that baby and how the baby died!

I think she went to the infertility support group to look for someone to manipulate Malin so she can get her way: to con people for money, inspire her to kidnap other girls since her baby died, etc.

A First-Class Thriller! This was unexpected. A complete surprise. Oh how wrong was I! I am forever grateful to thee. If you like books full of daisies and unicorns, this book is NOT for you. However, if you like slow-burning, dark, grisly thrillers, than you Im Travelling Alone to buy this book ASAP. I was pretty confused.

However, the reward for sticking with this book, is too great to pass on. Everything came together in a way that was completely unexpected. It's better to just go in without knowing too many details. View all 70 comments. Recommended to Paula by: Mary. Shelves: scandi-nordiccrimesuspense-thrillermysterye-bookIm Travelling Alonebarry-award-nomineeread-inpublished Holger Munch, head of the recently re-established Oslo special crime unit, travels to a remote island in Northern Norway to find his former partner and his best detective, Mia Kruger.

He shows her the case file of a gruesome killing of a 6 year old girl and convinces Im Travelling Alone reluctantly to join him in tracking down the killer. A dark, violent thriller with many plot lines, the book is smart with many likable characters. Holger and Mia are a great team.

Both have other issues going on which adds to multiple plot twists. Gabriel Mork, computer Im Travelling Alone and hacker, is hired and brings a fresh face to the crime scene. There is a lot going on in this book with plenty of details which is my kind of thriller. Interesting is that the author, Samuel Bjork, is a pen name. The novel is the first in a new series.

This is definitely one of the better Scandi Nordic series out there and I am looking forward to continuing on. View all 34 comments. A little disappointment. The idea of a two-strong team investigating is a pattern which authors often employ. One is experienced, with some problems, the other Im Travelling Alone young, with Im Travelling Alone past Im Travelling Alone some exceptional gifts. I accept such presentation, however, not all books deliver. The description of Im Travelling Alone series was enticing and I wanted to start with Book Im Travelling Alone, unfortunately. A little disappointment.

The description of the series was enticing and I wanted to start Im Travelling Alone Book 1, unfortunately, I was tempted to buy Book 2 as well at the same time, in consequence, I have another offering by Mr Bjork to read. I hope it will turn out much more engaging. View all 22 comments. Hallelujah, the streak is over.

Set in Norway, the story follows the members of a special police unit that was disbanded after their last case went horribly wrong. But when someone starts snatching 6 year old Im Travelling Alone, the powers that be quickly realize their best hope lies in reassembling the group of elite investigators. The author has invested just as much time breathing life into the protagonists as he has in creating a scary, complex mystery. It begins with several seemingly unconnected story lines unfolding.

The last pages will have you flipping the pages as all the pieces click into place for a literal race to the finish. Just as an aside, kudos to the translator. View all 14 comments. I love Scandinavian crime fiction, so I was hoping this one would be a winner. Unfortunately, I probably hyped myself up a bit for it because it was just ok. The novel focuses on police officers Mia Kruger and Holger Munch who are reunited to find a killer targeting little girls.

Mia has an interesting past and is struggling with an addiction to alcohol and pills.
