These 'Breaking Bad' Stars Are Friends Forever and Fans Can't Get Enough of Them

Sure, there was Dan Savage, whose advice gave hope and vision to closeted Star Darlings Good Wish Gone Bad across the country, and Deborah Betts, the first openly gay federal judge to be appointed.

But none of these people really mattered to queer youth because they all lacked one crucial ingredient. They were not on cable TV. LGBTQ characters were few and far between on television, but that didn't mean queer kids everywhere weren't dreaming. Beneath her explicitly heterosexual exterior was a cynical tomboy femme, just waiting to come out and date me.

Here's a look at '90s TV characters queer teens always wished were gay, and maybe would have been, 20 years later. Image: nickelodeon. Mack's trademark backwards baseball cap and interest in STEM fields screamed masculine-of-center boi, but the show first aired in the pre-lesbian era before Ellen.

Of course, not everyone who sports a denim hat and overalls identifies as gay but — c'mon. One can dream and carefully stereotype. All along, Slater was just using Jesse to get to his sex symbol Star Darlings Good Wish Gone Bad choice: Zack Morris. Image: ABC. Darlene and David: No one believed it. Between her artistic prowess, unapologetic cynicism and casual misandry, Darlene would have made a phenomenal girlfriend to sarcastic queer ladies everywhere.

Suede jackets. Eddie Winslow might have been the "fun straight brother" in his "cool nuclear family," but let's not lie: Eddie would have made a stunning gay man. In the upcoming Xena reboot, Xena will have a relationship with her leather-studded babe and bae, Gabrielle. Sigh — two hot lesbian warrior princesses in love.

They'll make a beautiful match, and a very popular porn channel. Just close your eyes and imagine Denise's Tinder profile. Denise might be dating dog David for show, but queer ladies everywhere knew she was coming to date us. Image: FOX via getty With her broad shoulders and no-nonsense shoulder pads, Scully screamed "early '90s power Star Darlings Good Wish Gone Bad. Image: ABC via getty She's artistic, she's wounded and she looks great with 35 braids. Sure, most of Rayanne's relationships were with men, but just think of how unavailable they were.

We fell in love with Christina as soon as the words "Right on top of that Rose" slipped out of her mouth. Of course, she wasn't the parent-ified powerhouse she was in Don't Tell Mom The Babysitter's Dead but she was still cute and potentially gay, so we totally forgave her. Image: WireImage. JTT appealed to teens from all across the queer spectrum, masculine and feminine alike.

He looked like the kind of boy who wanted to take you on a Star Darlings Good Wish Gone Bad date to get a chocolate milk at the corner store. Yes, please. Robbie's Varsity Jacket screamed "I'm a hot jock who's just too afraid to come out. Who doesn't want a piece of that tail? Maybe the reason she's chronically single is that she secretly wants to be in a strictly monogamous lesbian relationship with someone 20 years her junior points at self.

She was a hard-nosed attorney who just happened to befriend Queen of Queers, Queen Latifah. Maxine had a distant relationship with her mother, probably because her closeted mother quietly sensed her rebellious hot queer side. Gaydar is stereotypical and reductive and also a little bit accurate. Dreams do come true. None of us were born gay — we learned it from TGIF. A Blue-skinned DJ, Skeeter redefined hot in the cartoon world. Unlike his conservative BFF, Skeeter lived outside the law, riding skateboards, rocking joggers, being totally gay.

Daria was post-Darlene Roseanne. Aggressively cynical, indifferent to the lives of men, Daria would have made a great lesbian and proud misandrist.

In the history of fan fiction, is there anything hotter than a Jane-Daria relationship? Two dysphoric fictional teens in black.

Gay gay gay gay please. You know what would have made it better? Jason Bateman, as a raging homosexual. Look past his Star Darlings Good Wish Gone Bad ears. Behind his ragingly dumb persona, was an adorable gay man, just waiting to come out. And while stereotyping is evil and awful, Kristy totally fit every one: a toppy masculine-of-center androgynous softball tomboy deeply in love with Mary Anne You can do better, Kristy!

The reason Pacey performed so poorly in school wasn't family trauma or intellectual disabilities. He was struggling with his secret homosexual side — duh! Telly was a minor character in Salute Your Shorts forgotten by anyone who wasn't teen and gay and madly in love with a fictional character.

Tough, bright and broad-shouldered, Murphy hid her secret queer self underneath her straight single mom persona. That man never had a wrinkle on his face, and never will. He's a timeless spray-tanned hairless twinkly god, and a proud member of the fantasy LGBT community. While That 70's Show came of age in the '00s, its first totally gay episode aired in Just look at that hair part.

That open-necked Star Darlings Good Wish Gone Bad. It screams: "I'm gay and waiting to date you, anonymous audience member. And maybe even Screech, after hours at The Max. You have the chiseled infrastructure of a golden gay god. You are queer. You are hot. You are ours.

90's TV stars queer people always wished were queer

Instead of pouring spoiled wine down the drain, check out these creative ways to make the most of a bad bottle. From stepping up your steak game to a guilt-free trick for sneaking wine into your breakfast, take note of these seven wonderful wine hacks. Of all the uses for a red on its way to dead, the most common is as a marinade. Try this savory red wine marinade for flank steak or, if chicken is on the menu, this clever white wine spin. Usually, getting red wine all over a table cloth is the problem, not the goal.

Instead of running for the bottle of hydrogen peroxide Star Darlings Good Wish Gone Bad next time you have a spill, grab a large pot and set about transforming your tablecloth. The method works on T-shirts and bedsheets, too. Depending on the type and amount of fabric, as well as the desired hue, your cook times will vary drastically. Both humans and fruit flies like a full-bodied red. Unfortunately, your kitchen isn't big enough for the both of you.

If these obnoxious little pests are getting to you, try this simple kitchen hack. Pour a little of the vinegary red into a glass, cover it tightly Star

Darlings Good Wish Gone Bad plastic wrap, and poke a few holes in the top. This one takes a bit more time, but anyone who has tried their hand at making their own vinegar will tell you how favorably it compares to its store-bought counterparts.

This recipe is a good place to start. Find out more about how to use old wine to make vinegar here. For those looking for something a little less involved, behold the magic of pectin.

Either way, you can now have wine with your morning toast guilt-free. In less time than it takes to watch an Star Darlings Good Wish Gone Bad of "Top Chef," you can have a delicious red wine sauce for your steak. Try this easy recipe and experiment from there. Or you could make wine burgers Star Darlings Good Wish Gone Bad a reduction with this recipe. After researching the results of germs dropped into white wine at Oregon State, a food scientist noticed that the one-two punch of cell-wall-weakening booze and the acidity in the wine killed off the germs in less than the time of a decent dinner party.

While many people use vinegar to clean, people are still more accustomed to their whites in spritzers rather than spray bottles. Scientists are still hammering out the details, but some day you may be able to make a nontoxic kitchen cleaner out of that bottle of Two-Buck Chuck.

Fabric Dye. Fruit Fly Trap. Continue to 5 of 7 below. Red Wine Reduction. Read More. By using Liquor.

Here are 10 Good Trees Gone Bad

Star Darlings Good Wish Gone Bad the wrong tree in the wrong place is a guarantee for future tree removal. Tree removal is, at best, expensive to buy and can be very dangerous if you decide to do it yourself, plus it is back-breaking work. A lot of trouble and anxiety can be avoided by planting the appropriate tree Star Darlings Good Wish Gone Bad your yard to start with. All trees have good and bad characteristics. It is a rare tree that will satisfy your needs throughout its entire life span.

A tree can outgrow its original purpose very quickly or grow into its intended purpose very slowly. Understanding this concept is the key to proper tree planting in your yard. Ask yourself these questions when selecting a yard tree: Do I want a tree's fruit and leaves to deal with as it matures?

Am I willing to plant a fast-growing tree but eventually have to deal with its constantly breaking and sprouting from roots? Do I have space for a large and spreading tree? Here are ten trees that many homeowners have regretted planting. Think long and hard before planting these trees in your yard. Share Flipboard Email. Steve Nix, Forestry Expert.
