We meet again with Lord Grendal, the result of a failed experiment to mix the genes of humans and Kurii; the Lady Bina, former pet of Agamemnon, who dreams of becoming Ubara of Ar; and Agamemnon himself, eleventh face of the Nameless One, the illustrious mastermind behind the Kurrian invasion. Packed with action, and, as usual, presented with a spicy dressing of cultural relativism and critical remarks on modernity and gender relations.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. John Norman, born in Chicago, Illinois, in , is the creator of the Gorean Saga, the longest-running series of adventure novels in science fiction history. Starting in December with Tamsman of Gor, the series was put on hold after its twenty-fifth installment, Magicians of Gor, in , when DAW refused to publish its successor, Witness of Gor. After several unsuccessful attempts to find a trade publishing outlet, the series was brought back into print in Norman has also produced a separate, three-installment science fiction series, the Tehnarian Histories, plus two other fiction works Ghost Dance and Time Slave , a nonfiction paperback Imaginative Sex , and a collection of thirty short stories, entitled Norman Invasions.
